

**UMaine Connect  
Usability Study Permission form**

I, \_\_\_\_\_, agree to be interviewed for the project “Usability Study, UmaineConnect” which is being produced by Sean Radel and Andres Vargas of MaineFrame.

I certify that I have been told of the confidentiality of information collected for this project and the anonymity of my participation; that I have been given satisfactory answers to my inquiries concerning project procedures and other matters; and that I have been advised that I am free to withdraw my consent and to discontinue participation in the project or activity at any time without penalty or prejudice.

I agree to participate in one or more electronically recorded interviews for this project. I understand that such interviews and related materials will not be kept completely anonymous, and that the results of this study may be published in an academic journal or book.

I agree that any information obtained from this research may be used in any way thought best to aid the development of UMaine Connect.

I understand that my participation in this focus group is of my own free will and voluntary.
